WHAT ROB TEACHES

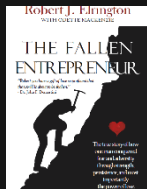

“Success in life can be defined as the continued expansion of happiness and the progressive realisation of worthy goals. There are many aspects to success; material wealth is only one of them. Moreover, success is a journey, not a destination. Material abundance, in all its expressions, happens to make the journey more enjoyable, but success includes good health, energy and enthusiasm for life, fulfilling relationships, creative freedom, and a sensed of wellbeing. Success is the ability to fulfil out desires with effortless ease.”

Deepak Chopra

DISCIPLINE

Discipline is one of the highest forms of self-love.

It is quite literally telling yourself that you will delay instant gratification and comfort for better things to come in the future.

A lot of people see self-love as spa baths and fancy coffee, but true self-love is how you manage yourself in the face of adversity, how you talk to yourself and what you are willing to do to create the version of yourself that you can admire the most.

True self-love is hard. It is the hardest yet most rewarding thing you can ever do.

It is something that is earned day in and day out. It is something that is earned day in and day out.

What you don't love, you attract or become until you learn how to love it. You can't give what you don't have.

WHAT ROBERT WILL MENTOR YOU ON:

- ANNETTE HEPBURN

You have given me, from a young age, the greatest gift any father could give to a child. By this, I don't mean money, material things or formal education, I mean an EDUCATION IN LIFE!! An education that gave me belief, drive, willpower and communication skills. Communication skills are not just limited to sales and business, they are limited to life itself and without your early influence, I don't think I would be able to do all the great things I am fortunate enough to do in my life.

- MIKE ELRINGTON
Robert's Son

The course had an enormous effect on me. The one-on-one approach coupled with genuine concern and laced with mountains of enthusiasm enabled me to increase my production not just in numbers of sales, but also in size of sales.

- COLIN DN TURNER – CD Insurance Broker

I don't think I have ever met anyone with such true integrity and just pure honest to goodness love. It would be lovely to be able to clone you and have all of humanity produce all the love, joy and awesome possibilities that you have given to us. With love and gratitude.
